## *Business Financing Consultant*

### ABOUT 4 KINGS CAPITAL

4 Kings Capital helps small to mid-sized companies find financing for their business needs. We understand that owners are busy, so we navigate the financing process so you can focus on running your business. Being an advocate and voice for our clients by negotiating for them, is our main goal. With a growing network, we can provide our clients a wide variety of traditional and non-traditional financing sources

### WHAT PEOPLE SAY

*"Bill did a fantastic job navigating through the complicated SBA lending regulations coupled with the complexity of our growing business. He never took his eyes off the finish line and was always available when called upon."* Anand P. President - Manufacturing Co.

*"I appreciate Bill's experience and advice regarding finance. He walked us through the process and helped us find the capital we needed."* Sebastian C- Client Business owner
